

Dallas Retirement Village is serving seniors as a faith-based, non-profit community, open to all. Dallas Retirement Foundation was established to foster philanthropic giving in support of the community's caring Christian mission to serve the needs of area seniors.

Through the generosity of our residents, their families, our associates and donors of the greater community, we create a sustainable future for seniors. We do this by helping to ensure vital housing and health services will be available; by easing financial burdens for seniors in need; and by expanding opportunities and experiences for the growing senior population of Dallas, Polk County and the state of Oregon.

### **Residents Appreciate Employees - (RAE)**

### **Resident Benevolence**

To ease financial burdens through rent assistance to keep residents in their home who have outlived their financial planning.
